OFFICIAL ACBL SLOW PLAY POLICY

If you are a habitually (or even occasionally) slow player, you should be aware that there are new rules governing your conduct at the bridge table. These new, stricter rules *will* be applied at this and future tournaments.

The ACBL Board of Directors approved unanimously a new policy, based on references to slow play regulations in the Laws of Duplicate Bridge. Their motion read,

“When a pair has fallen behind, it is incumbent on them to make up the time lost as quickly as possible, *whether at fault or not*. All players are expected to make a concerted effort to catch up when they have fallen behind, regardless of the reason for their lateness.

“In the absence of compelling evidence to the contrary, the director should presume that a pair finishing a round late by more than two or three minutes on more than one occasion during a session is responsible for the lateness. There is a strong expectation that the director will penalize such a pair. The size of the penalty will tend to increase for subsequent instances of slow play and for chronic or egregious slow play. While warnings typically will be given before a penalty is assessed, failure to do so in no way limits the director’s authority to issue a penalty.”

Slow play, as opposed to careful or thoughtful play, is discourteous to your opponents -- and to all other competitors as well. Players and pairs who take more than their allotted time will be subject to penalty. And if you do fall behind, *even if through no fault of your own*, you nevertheless have a clear obligation to get caught up as soon as possible.
